Welcome

Continuing Pharmacy Education (CPE) programme is an initiative taken by Pharmacy Council of India (PCI) for upgrading the knowledge of the registered pharmacist practicing either in hospital or in a community. CPE programme is a structured educational activity designed or intended to support the continuing development of pharmacists to maintain and enhance their competence. Dispensing of prescription is just one of the duties of a practising pharmacist, along with this he should be actively and responsibly involved in patient counselling, creating health awareness and providing professional pharmaceutical care.

A hospital or community pharmacist should be updated with all rules and regulations pertaining to pharmacy. CPE programme aims to provide latest information about the pharmacy practice and regulations to registered practising pharmacist. Karnataka State Pharmacy Council (KSPC) on the same ideology of PCI is implementing the induction of CPE for all the registered pharmacists within the state to ensure an efficient and professional service to patient.

D.R.Karigowda College of Pharmacy (DRKCPH), Hassan was established in the year 1992 under the auspices of Boovannahally Channakeshava Swamy Vidya Samsthe® with the vision to provide relief to the suffering humanity through proper education based on sound educational principles influenced by scientific in terms of Pharmaceutical and Technological advances. Successfully running D.Pharm, B.Pharm and M.Pharm courses till to date.

Karnataka Registered Pharmacist Association (KRPA) is an association started in the year 2016 at Mysuru with aim to render service to public and uplift the pharmacy profession. On 4th September, 2019, KRPA Hassan branch was inaugurated at host institute, D.R.Karigowda College of Pharmacy aspiring to improve pharmacy practice and health awareness at Hassan district.

Hospital and community pharmacist are backbone of health care system and there is a need to enhance their competence to provide utmost pharmaceutical service to society. Therefore, a CPE is being organized in collaboration with Karnataka State Pharmacy Council (KSPC), Bangalore and Karnataka Registered Pharmacist Association (KRPA), Hassan at D.R.Karigowda College of Pharmacy. The expertise from different pharmacy areas shall share their experience and knowledge on various aspect of the CPE program. We invite you all responsible community and hospital pharmacist to attend the CPE and enhance your knowledge and make it grand success.
