Sir,

Greetings! from Rajiv Gandhi University of Health Sciences (RGUHS) Karnataka, Bengaluru. I would like to welcome one and all to this online platform of RGUHS.

It was started in June 1996 and has reached its 25th successful, glorious year.

As you are aware, RGUHS is a name to be reckoned with, in India and abroad, as one of the biggest state health universities, with over 2,00,000 students and around 25,000 faculty members. RGUHS Alumni are spread all around the globe. Through individual accomplishments, many of them have become our esteemed brand ambassadors.

On June 1st, 2020, we entered the Silver Jubilee year, which was marked by the inaugural speech of our Honorable Prime Minister of India, Shri Narendra Modiji.

We have planned many exciting activities to commemorate this milestone event. Bringing our alumni fraternity together and providing an effective networking has been one such ambition. Coming together would work wonders for all, including the current students, faculty and the rest of the alumni of RGUHS. With this thought we have initiated the RGUHS-WAN (World Alumni Network) platform (RWAN):

<https://rguhs.worldalumni.com>

RGUHS-WAN platform has been modelled on various social media platforms which provide opportunity to interact with your contemporaries, faculty, students and other alumni of RGUHS. The platform has easy-to-access and easy-to-use features to find and connect with one's own colleagues.

There will be a nominal subscription fee to join. However, the University pays the entire subscription fee for everyone who enroll into RGUHS-WAN platform before 31st January 2021. Hence I appeal you to give wide publicity to Pharmacy faculty who have studied at RGUHS and registered at Karnataka State Pharmacy Council to join the RGUHS family now at the above mentioned link. Kindly provide the contact details of all Pharmacy professionals registered in Karnataka State Pharmacy Council.
